

Confidentiality Agreement for Participant of Early Access Program

I agree to serve as a Volunteer Participant (the “Volunteer”) in the Foundation for Inner Peace’s (the “Foundation”) Early Access Program for *A Course in Miracles* Web Edition (WE). As a Volunteer in this Early Access Program, I understand that the Foundation will grant me early access to the current version of a combined text and audio production of *A Course in Miracles*, which is a work copyrighted by the Foundation, also known as the Web Edition of *A Course in Miracles* (the “Work”). Additionally, I will have some access to the Foundation’s current plans for the release of the Work (the “Plans”).

This access is granted to obtain my feedback on the Work and Plans. In exchange for being granted such access, I agree to keep details of the Work and the Plans confidential until the completed version of the Work is released to the public. I agree to share my feedback, positive or negative with only the Foundation during the Agreement Period.

I understand that as a Volunteer in the Early Access Program for ACIM Web Edition I will receive access to intellectual property of the Foundation.

Until the Web Edition has been released and published, I agree **not to**:

- 1) make the Work public
- 2) post about it anywhere, including social media platforms
- 3) copy or send electronic versions of the Work to anyone
- 4) disclose the Work and/or the Plans in any other manner to any person.

This agreement will be governed in accordance with the laws of the State of California.

I hereby agree to these terms.
